The term "child/children" includes a natural child, a legally adopted child, a stepchild, and a child who is dependent on the Eligible Participant during any waiting period prior to finalization of the child's adoption.

Emergency Medical Condition means a medical condition which manifests itself by acute symptoms of sufficient severity (including severe pain) such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy; serious impairment to bodily functions; or serious dysfunction of any bodily organ or part.

Felonious Assault is an act of violence against You requiring medical treatment in a Hospital

Claim Forms: Upon receipt of a written notice of claim, the Insurer will furnish to the claimant such forms as are usually furnished by it for filing Proofs of Loss. If these forms are not furnished within 15 days after the notice is sent, the claimant may comply with the Proof of Loss requirements of the Certificate by submitting, within the time fixed in the Certificate for filing proofs of loss, written proof showing the occurrence, nature and extent of the loss for which claim is made.

Proofs of Loss: Written proof of loss must be furnished to the Insurer or to its Administrator within 90 days after the date of loss. However, in case of claim for loss for which the Certificate provides any periodic payment contingent upon continuing loss, this proof may be furnished within 90 days after termination of each period for which the Insurer is liable. Failure to furnish proof within the time required will not invalidate nor reduce any claim if it is not reasonably possible to give proof within 90 days, provided

1. it was not reasonably possible to provide proof in that time; and
2. the proof is given within one year from the date proof of loss was otherwise required. This one year limit will not apply in the absence of legal capacity

Time for Payment of Claim: Benefits payable under the Certificate will be paid immediately upon receipt of satisfactory written proof of loss, unless the Certificate provides for periodic payment. Where the Certificate provides for periodic payments, the benefits will accrue and be paid monthly, subject to satisfactory written proof of loss.

Payment of Claims: Benefits for accidental loss of life under the Accidental Death & Dismemberment coverage, if included in this Plan, will be payable in accordance with the beneficiary designation and the provisions of the Certificate which are effective at the time of payment. Any benefit amount payable due to the loss of life of a Dependent Child will be paid to the Primary Insured Person.

If the Covered Person has not chosen a beneficiary or if there is no beneficiary alive when the Covered Person dies, the We will pay the benefit amount for loss of life to the first surviving party in the following order:

5. The Covered Person's estate.

Any other accrued benefits unpaid at the Covered Person's death may, at the Insurer's option, be paid either to his/her beneficiary or to his/her estate. Benefits payable under other coverages shall be payable to the provider of the service. Benefits payable under the Accidental Death & Dismemberment coverage, other than for loss of life, will be paid to the Covered Person.

If any benefits are payable to the estate of a Covered Person, or to a Covered Person's beneficiary who is a minor or otherwise not competent to give valid release, the Insurer may pay up to \$1,000 to any relative, by blood or by marriage, of the Covered Person or beneficiary who is deemed by the Insurer to be equitably entitled to payment.

If any other benefits are payable for coverages under this Plan, the Insurer or its Administrator may pay and individual or entity who is deemed by the Insurer to be equitably entitled to payment, whether or not such benefits have been assigned by Covered Person due to the Covered Person's death, disability or unavailability.

Any payment made by the Insurer in good faith pursuant to this provision will fully discharge the Insurer of any obligation to the extent of the payment.

Choice of Hospital and Physician: Nothing contained in this Certificate restricts or interferes with the Covered Person's right to select the Hospital or Physician of his or her choice. Also, nothing in this Certificate restricts the Covered Person's right to receive, at his/her expense, any treatment not covered in this Certificate.

Physical Examination and Autopsy: The Insurer may, at its expense, examine a Covered Person, when and as often as may reasonably be required during the pendency of a claim under the Certificate and, in the event of death, make an autopsy in case of death, where it is not forbidden by law.

Providers available to You through the BlueCard Program have not entered into contracts with 4 Ever Life International Limited. If You have any questions or complaints about the BlueCard Program, please call Us at the customer service telephone number listed on Your ID card.

We, or Our authorized Administrator, will provide written notice to the insured Participant within a reasonable period of time of any Participating Provider's termination or breach of, or inability to perform under, any Provider contract, if We determine that the insured Participant or his/her insured Dependents may be materially and adversely affected, and provide the insured Participant with a current list of Participating Providers.

If the insured Participant needs a new Provider listing for any other reason, he/she may call the customer service telephone number listed on the ID card or go to www.geo-blue.com for a new Provider listing.

SECTION 8 GENERAL PROVISIONS

Entire Contract: The entire contract between the Insurer and the Covered Person consists of the Master Policy issued to the Global Citizens Association, this Certificate and the Member's Group Certificate, which are deemed incorporated by reference and made a part of the Master Policy. All statements contained in the contract will be deemed representations and not warranties. No statement made by an applicant for insurance will be used to void the insurance or reduce the benefits, unless contained in a written application and signed by the applicant. No agent has the authority to make or modify the Certificate, or to extend the time for payment of premiums, or to waive any of the Insurer's rights or requirements. No modifications of the Certificate will be valid unless evidenced by an endorsement or amendment of the Certificate, signed by one of the Insurer's officers and delivered to the Participating Organization.

Time Limit on Certain Defenses: No claim for loss incurred after 1 year from the effective date of the Covered Person's insurance will be reduced or denied on the grounds that the disease or physical condition existed prior to the effective date of the Covered Person's insurance. This provision does not apply to a disease or physical condition excluded by name or specific description.

Legal Actions: No action at law or in equity may be brought to recover under the Certificate prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of the Certificate. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Assignment: No assignment of benefits will be binding on the Insurer until a copy of the assignment has been received by the Insurer or by its Administrator. The Insurer assumes no responsibility for the validity of the assignment. Any payment made in good faith will relieve the Insurer of its liability under the Certificate.

Beneficiary: The beneficiary is the last person named in writing by the Covered Person and recorded by or on the Insurer's behalf. The beneficiary can be changed at any time by sending a written notice to the Insurer or to its Administrator. The beneficiary's consent is not required for this or any other change in the Certificate unless the designation of the beneficiary is irrevocable.

Mistake in Age: If the age of any Covered Person has been misstated, an equitable adjustment will be made in the premiums or, at the Insurer's discretion, the amount of insurance payable. Any premium adjustment will be based on the premium that would have been charged for the same coverage on a Covered Person of the same age and similar circumstances.

Clerical Error: A clerical error in record keeping will not void coverage otherwise validly in force, nor will it continue coverage otherwise validly terminated. Upon discovery of the error an equitable adjustment of premium shall be made.

Not in Lieu of Workers' compensation. The Certificate does not satisfy any requirement for Workers' Compensation.

Subrogation: If the Covered Person suffers an Injury or Sickness through the act or omission of another person, and if benefits are paid under the Certificate due to that Injury or Sickness, then to the extent the Covered Person recovers for the same Injury or Sickness from a third party, its insurer, or the Covered Person's uninsured motorist insurance, the Insurer will be entitled to a refund of all benefits the Insurer has paid from such recovery. Further, the Insurer has the right to offset subsequent benefits payable to the Covered Person under the Certificate against such recovery.

The Insurer may file a lien in a Covered Person's action against the third party and have a lien upon any recovery that the Covered Person receives whether by settlement, judgment, or otherwise, and regardless of how such funds are designated. The Insurer shall have a right to recovery of the full amount of benefits paid under the Certificate for the Injury or Sickness, and that amount shall be deducted first from any recovery made by the Covered Person. The Insurer will not be responsible for the Covered Person's attorneys' fees or other cost.

Upon request, the Covered Person must complete the required forms and return them to the Insurer or to the Administrator. The Covered Person must cooperate fully with the Insurer in asserting his/her right to recover. The Covered Person will be personally liable for reimbursement to the Insurer to the extent of any recovery obtained by the Covered Person from any third party. If it is necessary for the Insurer to institute legal action against the Covered Person for failure to repay the Insurer, the Covered Person will be personally liable for all costs of collection, including reasonable attorneys' fees.

Right of Recovery: Whenever the Insurer have made payments with respect to benefits payable under the Certificate in excess of the amount necessary, the Insurer shall have the right to recover such payments. The Insurer shall notify the Covered Person of such overpayment and request reimbursement from the Covered Person. However, should the Covered Person not provide such reimbursement, the Insurer has the right to offset such overpayment against any other benefits payable to the Covered Person under the Certificate to the extent of the overpayment.

Currency: All premiums for and claims payable pursuant to the Certificate are payable only in the currency of the United States of America.

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, you will be responded to in writing with a decision within fifteen calendar days after we receive an appeal for a required pre-service or concurrent care coverage determination (decision). We will respond within 30 calendar days after we receive an appeal for a post service coverage determination. If more time or information is needed to make the determination, We will notify You in writing to request an extension of up to 15 calendar days and to specify an additional information needed to complete the review.

You may request that the appeal process be expedited if, the time frames under this process would seriously jeopardize Your life, health or ability to regain maximum function or in the opinion of Your Physician would cause You severe pain which cannot be managed without the requested services; or your appeal involves non-authorization of an admission or continuing Inpatient Hospital stay. The Insurer or its designee's physician reviewer, in consultation with the treating Physician, will decide if an expedited appeal is necessary. When an appeal is expedited, We will respond orally with a decision within 72 hours, followed up in writing.

Level Two Appeal

If You are dissatisfied with Our level one appeal decision, you or your authorized representative may request a second review for appeals involving Medical Necessity or clinical appropriateness. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by an appeals committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the appeals committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Physician or Dentist reviewer in the same or similar specialty as the care under consideration, as determined by the Insurer's or its designee's Physician or Dentist reviewer. You may present your situation to the committee by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a committee review. For required pre-service and concurrent care coverage determinations, the committee review will be completed within 15 calendar days. For post-service claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, We will notify You in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the committee does not approve the requested coverage.

You may request that the appeal process be expedited if, the time frames under this process would seriously jeopardize Your life, health or ability to regain maximum function or in the opinion of your Physician would cause you severe pain which cannot be managed without the requested services; or Your appeal involves non-authorization of an admission or continuing Inpatient Hospital stay. The Insurer's or its designee's Physician reviewer, in consultation with the treating Physician will decide if an expedited appeal is necessary. When an appeal is expedited, we will respond orally with a decision within 72 hours, followed up in writing.

Following a second level appeal, a final determination will be made and a letter will be sent to you.
